

Nektar, Desolation Valley / Waves (US Mix)

Take a look around yourself
and see what I see
Persecuted eyes, looking down on me
I can't take no more
of what I took before
Help me please I'm falling down
Desolation Valley

Take a look around yourself
and see what I see
Imagination merged with reality
You won't see no more
like you did before
Watch yourself you're falling down
Desolation Valley

Wind of change
tide of time
Is it real?
Or is it just
my mind?
Turn the key
Open your door,
Don't make believe
you've seen this before
