

# Nellie McKay, Beecharmer

[Cyndi Lauper:]

Sewed everything he said  
Together with a thread  
Repeatin in my mind  
Each word like a rhyme  
Like a penny serenade  
Liltin through a song  
He says the record's overplayed  
Where did I go wrong

[Nellie McKay:]

He never stayed at first  
Could not commit the time  
Ignored all the quirks but he still did the crime  
And when he goes away  
I know you'll call and cry

[Cyndi Lauper:]

And when he calls back today  
I know I'm gonna try

[Nellie McKay:]

But I know you're mine  
When you're on the line

[Cyndi Lauper:]

Is it somethin I said

[Nellie McKay:]

Won'tcha let him walk away

[Cyndi Lauper:]

Got it stuck in my head

[Nellie McKay:]

Don'tcha hear a word I say

[Cyndi Lauper:]

Is it something I said

[Nellie McKay:]

Every night the same old moan it's  
Eeieeeee  
Am waiting till my Joe comes home

[Nellie McKay:]

I'm the queen of QVC  
You're leanin on my ear  
You mean the world to me  
Though the connection isn't clear  
Like my inkspot seventy-eights  
Convenient when you're low

[Cyndi Lauper:]

Feel like an antelope on a nature show  
I guess I gotta go

[Nellie McKay:]

But I know you're mine  
When you're on the line

[Cyndi Lauper:]

Is it somethin I said

[Nellie McKay:]  
Would you let him walk away

[Cyndi Lauper:]  
Got it stuck in my head

[Nellie McKay:]  
Don'tcha hear a word I say

[Cyndi Lauper:]  
Is it something I said

[Nellie McKay:]  
Everytime we're on the phone it's  
Eeieeieeee  
Am waiting till my Joe comes home

[Cyndi Lauper:]  
Hey

[Nellie McKay:]  
Castaway romance

[Cyndi Lauper:]  
What's it gonna take

[Nellie McKay:]  
No knights with shiny armor

[Cyndi Lauper:]  
Hey

[Nellie McKay:]  
Try a different dance  
Oh, I'm a real beecharmer

[Cyndi Lauper:]  
Well I scold and I scratch to make him stay  
But he don't wanna know from me  
Why that old alley cat he runs away

[Nellie McKay:]  
Lock the door and lose the key

[Cyndi Lauper:]  
Is it somethin I said

[Nellie McKay:]  
Won'tcha let him walk away

[Cyndi Lauper:]  
Got it stuck in my head

[Nellie McKay:]  
Don'tcha hear a word I say

[Cyndi Lauper:]  
Is it something I said

[Nellie McKay:]  
Every night the same trombone it's  
Eeieeieeee  
Am waitin till my Joe comes home

[Cyndi Lauper:]

Hey

[Nellie McKay:]  
Last car wreck romance  
What's it gonna take  
No knights with shiny armor

[Cyndi Lauper:]  
Hey

[Nellie McKay:]  
Try a different dance  
Oh I'm a real beecharmer
