

Nelly, Dilemma (Video Version)

(Nelly)

Welcome to Nellyville where all the newborns get half-a-mill
Sons get the tan Deville, soon as they can reach the wheel
And daughters, get diamonds the size of their age- help me out now
One year get one carat, two years get two carats...

(goes into Dilemma)

oh oh oh oh oh

(Kelly)

I love you and I need you,

Nelly, I love you, I do,

Need you

No matter what I do....

All I think about is you

Even when Im with my Beau

Nelly, you know Im crazy over you

No matter what I do

All I think about is you

Even when Im with my Beau

You know Im crazy over you

(Nelly)

Uh-uh-uh-uh

I met this chick and she just moved right up the block from me

And she got the hots for me, the finest thing my hood dun see

But oh, no, no, she got a man and a son oh-oh, but thats okay

Cus I wait for my cue and just listen, play my position

Like a shortstop, pick up erything mami hittin

And in no time I better make this friend mine and thats for sure

Cos I-I never been the type to break up a happy home

But uh theres something bout baby girl, I just cant leave her 'lone

So tell me, ma, whats it gonna be

She said, You dont know what you mean to me,

No matter what I do

All I think about is you

Even when Im with my Beau

Boy, you know Im crazy over you

No matter what I do

All I think about is you

Even when Im with my Beau

You know Im crazy over you

Uh-uh-uh-uh

I see a lot in your look and I never say a word

I know how niggas start actin trippin , and hate up all the girls

And theres no way Nelly go for it

Aint fightin ova no dame, as you could see

But I like your steeze, your style, your whole demeanor

The way you come through and holler, and swoop me in his two-seater

Now thats gangsta and I got special ways to thank ya,

dont you forget it

But uh it aint that easy for you to back up and leave him

But uh you and me we got ties for different reasons

I respect that and right before I turned to leave

She said, You dont know what you mean to me, come on

No matter what I do

All I think about is you

Even when Im with my Beau

Nelly, you know Im crazy over you

No matter what I do

All I think about is you

Even when Im with my Beau

You know Im crazy over you

Sing it for me, K

I love you and I need you

Nelly, I love you, I do

And its more than youll ever know

Boy, its for sure
You can always count on my love
Forever more, yeah, yeah
