

# Nelly feat. Tim McGraw, Blessed

I may never climb a mountain

So I can see the world from there

I may never ride the waves

And taste the salty ocean air

Or build a bridge

That would last a hundred years

But no matter where the road leads

One thing is always clear

I am blessed

I am blessed

From when I rise up in the morning

Til I lay my head to rest

I feel You near me

You soothe me when I'm weary

Oh Lord, for all the worst and all the best

I am blessed

All along the road less traveled

I have crawled and I have run

I have wandered through the wind and rain

Until I found the sun

The watching eyes ask me why

I walk this narrow way

I will gladly give the reason

For the hope I have today

repeat chorus

You've given me joy

You've given me love

You give me strength

When I want to give up

You came from heaven

To rescue my soul

This is the reason I know, I know

repeat chorus
