

Nelly feat. Tim McGraw, Come Here Boy

I see you over there
I try no to stare
Oh boy I can't resist you
Oh boy there's something 'bout you

(Chorus)
Come here boy
And light my fire
Come here and be my desire
Oh boy you look so sexy
Oh boy just come and get me

You say u wanna dance with me
You say you wanna move with me
Come on lets hit the floor
Come on I'm loosing control

(Chorus)

Ooh ahh light my fire
Ooh aah be my desire
Ooh aah you look so sexy
Ooh aah come and get me
