(Intro)

St. Louis! {echo}

Stomp stomp stomp stomp {repeated}

This house belongs to who

(Chorus)

Not in my house

You might catch me on the road

But not in my house

It won't happen oh no (oh no, oh no, oh no, oh no)

Not in my house (check me out)

You might catch me on the road

But not in my house

It won't happen oh no (oh no, oh no, oh no, oh no)

(Verse 1)

Check it, check it

Now we've come along way ay (hear me out)

And I know you wanna go some more oh

The only thing keeping you from completin your mission derry

Is makin it past my door

See I'd hate to be the bearer of bad news

But I simply gotta tell ya I refuse to lose

To continue how you wanna disrespect intended

But it ain't goin down hell nah derry

(Chorus)

(Verse 2)

Check it, check it

I dropped my mug in the dirt done, you done crossed this line

Me losin tonight, ain't even cross my mind

This my house, and I'm a defend it crush you if need be

Leaving you as an example for other teams to see

Then it be, 2 strikes, 2 outs, no lights

Fourth down, fourth quarter, lookin at a baby order

Fourth period, minute left, down ten, hold ya breath

Pick and roll, back door, game over, told ya so

(Chorus)

Not in my house {4x}
