Do they know the fame and all that it can bring? If they attracted to nelly then who like cornell haynes? I'm poppin collars from California to D.C . I'm in the V.i.P louie bottles and henneesy's. I'm putting milage on 20 inches and 23's i'm flipping out my keys, i'm flipping down the screens. I'm about to spread my wings, tryin to fulfill my dreams. With anything that i want if I dont I got the means.
