The way that you walkin, the way that you talkin
You're the one I want to spend this night with
Tryna get in them draws and bang it out til the morning
I can already tell you want it
Cause you shakin it all for me, givin it all to me
Rubbin dat body on me
Keep on shakin it all for me, givin it all to me
Rubbin dat body on me
The way that you walkin, the way that you talkin

Tryna get in them draws and bang it out til the morning
