Nelly Furtado, My Love Grows Deeper

My love grows deeper every day and takes a little piece of me My love grows deeper every day and takes a little piece of me My love grows deeper every day, deep into the sea But takes a little piece of me, a little piece of me

Oh it's so beautiful out and I can't see why we're not allowed to be Up in the sky with the birds counting the flowers Oh my powers have failed me again when I can't see beginning to end And I try to test it again through the hours I get so stuck on leaving but I guess I think I'll stay I'll be hanging around here anyway I get so stuck on leaving, hell I think I'll go 'cause they don't want me around here, no, no

My love grows deeper every day and takes a little piece of me My love grows deeper every day and takes a little piece of me My love grows deeper every day, deep into the sea But takes a little piece of me, a little piece of me

Oh why can't I be green as the grass beneath my feet As fresh as the dew hits the ground in the morning And not yellow like bumble bees, please take me off my knees 'cause I don't wanna be red forever I get so stuck on leaving but I guess I think I'll stay

I'll be hanging around here anyway I get so stuck on leaving so hell I think I'll go 'cause they don't want me around here, no no

Traveling far, all up in the blue, traveling far, could not be born because of you Traveling far, up in the blue, could not be born because of you, because of you you you you you you you I get so stuck on leaving, I guess I think I'll stay I'll be hanging around here anyway I get so stuck on leaving, hell I think I'll go You don't want me around here no more

I get so stuck on leaving, I get so stuck on leaving I get so stuck on leaving, stuck on leaving Stuck on leaving, I gotta go You cut my wings long time ago You cut my wings long time ago

My love grows deeper every day and takes a little piece of me My love grows deeper every day and takes a little piece of me My love grows deeper every day, deep into the sea But takes a little piece of me, a little piece of me
