

Nelly Furtado, My Love Grows Deeper, Part 1

My love grows deeper every day and takes a little piece of me
My love grows deeper every day and takes a little piece of me
My love grows deeper every day, deep into the sea
But takes a little piece of me, a little piece of me

Oh it's so beautiful out and I can't see why we're not allowed to be
Up in the sky with the birds counting the flowers
Oh my powers have failed me again when I can't see beginning to end
No I try and test it again through the hours

Chorus:

Wandering stars in the blue
could not be born cause of you
Wandering stars in the blue
could not be born cause of you

My love grows deeper every day and takes a little piece of me
My love grows deeper every day and takes a little piece of me
My love grows deeper every day, deep into the sea
But takes a little piece of me, a little piece of me

Oh why can't I be green as the grass beneath my feet
As fresh as the dew hits the ground in the morning
And not yellow like bumble bees, please take me off my knees, my knees
I don't wanna be red forever

Chorus

I've been looking at the moon but I've been thinking of myself
I've got me under my own skin I don't need nobody else
I'm looking at the moon but I'm thinking of myself
I've got me under my own skin I don't need nobody else

Chorus

If I could have sunlight in the palm of your hand
I'd take the moonlight instead
