

Nelly Furtado, Onde Estás (English Version)

The hours of the day
The hours of the day
I wait for the night
I wait for the night

The hours of the day
The hours of the day
I wait for the night
I wait for the night

I watch the waves pass over the ocean
I watch the waves pass over the ocean

la la la la
la la la la la

The hours of the day
The hours of the day
I wait for the night
I wait for the night

The hours of the day
The hours of the day
I close my eyes
I close my eyes

I watch the stars cry out your name
I watch the stars cry out your name

la la la la
la la la la la

The hours of the day
The hours of the day
I wait for the night
I wait for the night

I go to the highlands to ask where you are
I go to the highlands to ask where you are

Where are you
Where are you
Where are you
Where are you
