

Nelly Furtado, The Spirit Indestructible

From my one square foot window I see outside
I've got chains on my feet but not in my mind
I'll be dancing all day see the sun outside
Don't know how long it will be can't stop me

I have a spirit indestructible
A heart that loving was made for
A body that's a miracle
I have a spirit indestructible
A heart that was made pure
Unbreakable and that's for sure
Unshakeable so give me more

A-E-I-O-U

Through my tired eyes I phase out the rain
With a meditation I erase my pain
There's a rythm flowing through every vein
And the melody is never-ending

And though they may and though they may
Take you away take you away
You'll never break you'll never break
And though they may and though they may
Take you away take you away
They'll never break they'll never break you
