

# Nelly, Over And Over

(feat. Tim McGraw)

Cause its all in my head  
I think about it over and over again  
And I cant keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I cant take it yeah I cant shake it  
Nooo

I cant wait to see you  
Want to see if you still got that look in your eyes  
That one you had for me before we said our goodbyes  
And its a shame that we got to spend our time  
Being mad about the same things  
Over and over again  
About the same things  
Over and over again  
Ohh  
But I think shes leaving  
Ooh man shes leaving  
I dont know what else to do  
(I Cant go on not loving you)

Cause its all in my head  
I think about it over and over again  
And I cant keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again yeah  
And I cant take it yeah I cant shake it  
Nooo

I remember the day you left  
I remember the last breath you took right in front of me  
When you said that u would leave  
I was too damn stubborn to try to stop you or say anything  
But I see clearly now  
And this choice I made keeps playing in my head  
Over and over again  
Playing my head  
Over and over again  
Ohh  
I think shes leaving  
Ooh man shes leaving  
I dont know what else to do  
(I Cant go on not loving you)

Cause its all in my head  
I think about it over and over again  
And I cant keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I cant take it I cant shake it  
Nooo

(Now that Ive realized that Im going down  
From all this pain youve put me through  
Every time I close my eyes I lock it down oh

I cant go on not loving you)

Cause its all in my head  
I think about it over and over again  
And I cant keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I cant take it I cant shake it  
Nooo

Cause its all in my head  
I think about it over and over again  
And I cant keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I cant take it I cant shake it  
Nooo

Over and Over again  
Over and Over again  
Cause its all in my head
