

Nelly, Tired

Stop your cryin'(oh)
You know that I'm tired of your lyin'(hey)
Do you know that you do this all the time, yeah
You always say your sorry so
I cut you slack I take you back that's all I'm ever doin' with you

[Nelly]
(Tired) Little mama I hope that you can't stand it
That I gotta leave
That I gotta go bye bye see that door I'm lookin at?
See I don't need to be lookin' down
I believe I'm the one
I believe till my day is done, for me it's someone yeah
(I'm so tired) Hey we go through it everyday
Said I'm so (tired) and I know it's going to be another shitty day
See I don't need to be livin' down
Like it pays to be happy
Same song, commin' with a dance song
Never different always the same

[Chorus]
Stop your cryin'(oh)
You know that I'm tired of your lyin'(hey)
Do you know that you do this all the time, yeah
You always say your sorry so
I cut you slack I take you back that's all I'm ever doin' with you

[Nelly]
(Tired) Cause' I got my back ass up in a truck
You don't got to worry about me commin' round' here callin' your ass to see what's up
Cause' I don't need you anymore
I'm so tired of your games
See I'm happy that I'm leavin'
But I'm glad to see I came
I'm takin' these keys to the door and I'm commin' back to get every damn thing I own I own
You gotta move it in slow mo'
Think I'm commin' baby girl, no no no no
I'm so tired of your games
See I thought you wanted to be happy
You need a son you don't need a man
You just, you just..

[Chorusx2]

[Avery Storm]
I can't take no more, can't take no more, can't take no more of this breakdown
It's all safe for me, better step down
Everything will be alright
Went for my day dream, then we turned into strangers
No reason for me to stay here
Nothing left remains here

[Chorusx2]

(And I'm taking my shit and leaving here)
