Oh Mother, mother, mother  
There's way too many of you crying

You know we've got to find a way  
To bring some lovin' here today

Nona Gaye:  
Oh my father, father  
We don't need to escalate

You see war is not the answer  
(War is not the answer)

Nona Gaye/Backstreet Boys: (Brian)  
For only love can conquer hate

Christina Aguilera:  
You know we've got to find a way  
To bring some lovin' here today

Britney Spears:  
Barricades, can't block our way  
Destiny's Child: (Kelly) Don't punish me with brutality  
(Beyonce) Talk to me

Britney Spears: So you can see  
Destiny's Child/Britney Spears:  
(First Chorus)

Oh what's going on  
What's going on  
Yeah what's going on  
Ahh what's going on

Ja Rule:  
What's going on in a world filled with pain  
Where's the love for which we pray  
What's going on  
When our children can't play  
Homeless can't eat  
There's got to be a better way

What's going on  
When we politically blind  
Can't see the signs of endangered times  
What's going on

Nelly Furtado:  
Ah tell me  
What's going on in the world today  
I'd rather be dead  
Than turn my head away  
We gotta first world vision to comfy, to lift our  
Hands in the air and cry for a switch

Michael Stipe:  
Father, father

P Diddy:  
Father help us, come on  
Michael Stipe:

Everybody thinks we're wrong  
Alicia Keys:  
Oh, but who are they to judge us  
Together we can all be strong  
P Diddy:  
United we stand, United we fall  
N'Sync: (J.C.)  
Oh you know we've got to find a way  
Mary J. Blige:  
To bring some understanding here today  
N'Sync: (Justin)  
Barricades can't block our way  
Darren Hayes (Savage Garden):  
Don't punish me with brutality  
N'Sync: (Justin)  
Baby talk to me  
So you can see  
(Second chorus)  
Yeah, what's going on  
Hey, what's going on  
Somebody tell me what's going on  
I'll tell you what's goin' on-uh  
Nelly:  
What's going on 'cross seas  
Every minute a child dies by this disease  
In record numbers indeed  
Got mamma's crying out please  
My baby hold on  
My child ain't done nothing wrong  
Still I want to holler  
Ask them why they don't bother  
Oh no, oh no  
Make me turn to my father  
And ask him why they all got a trapped soul  
Nas:  
I can feel what was bothering Marvin  
Why his words forever remain  
Dealing with these modern day problems  
'Cause of ignorance surrounding me and my constituents  
Too many infected  
Too many lives diminishing  
Nobody say Protestants, Jews, Blacks, and Whites, Latinos and Asians  
Pray together  
Less fight  
We better unite  
As genocide chemical war  
And the rich and the poor  
Know that God delivers a cure  
Eve:  
It's a shame our reality is devastating  
People praying for a cure  
Dying while they're waiting  
Ask the Lord for the comfort and strength to face it  
All the kids with dreams  
Won't get the chance to chase it  
Makes me sad  
Think about the lives they would've had  
Think about the orphan babies got no moms and dads  
How can we sit back and not try to make it right  
We gotta come together  
We gotta fight for life  
Fred Durst:  
Somebody tell me what's going on  
(what's going on)  
We got human beings using humans for a bomb

But everyone wanna live  
Don't nobody really want to die  
You feeling me right  
I can't be watching people die  
(die)  
And watching people cry  
(cry)  
Let me break it down for a minute  
If there's enough room here for you and me  
There's plenty of room for some humanity  
You've got to show me, (show me)  
(whats going on) Whats going on?
