

Nelson, Believe What You Say

I believe what you say when you say you're goin' steady with nobody else but me
I believe what you say when you say you don't kiss nobody else but me
I believe (I believe), do believe (do believe), I believe (I believe)
Yeah, I believe, pretty baby, believe you're goin' steady with nobody else but me

Well, there's-a one thing, baby, that I wantcha to know
When you're rockin' with me don't rock too slow
A-move on in, get toe-to-toe
We're gonna rock till we can't rock no more

I believe (I believe), do believe (do believe), I believe (I believe)
Yeah, I believe, pretty baby, believe you're goin' steady with nobody else but me

Spoken: well, let's dig it now.

--instrumental break--

Well, I believe what you say when you say you don't miss nobody else but me
I believe what you say when you say you don't kiss nobody else but me
I believe (I believe), do believe (do believe), I believe (I believe)
Yeah, I believe, pretty baby, believe you're goin' steady with nobody else but me

Well, when you kiss me, baby, then you roll your eyes
I get a funny feelin' that I'm hypnotized
Chills run all up and down my spine
I'm tellin' everybody that you're mine, all mine

I believe (I believe), do believe (do believe), yeah believe (yeah believe)
Oh, believe, pretty baby, believe you're goin' steady with nobody else but me

Spoken: oh, yeah!!

Well, I believe, do believe, yeah believe
Well, believe, pretty baby, believe you're goin' steady with nobody else but me
