

Nemesea, Kids With Guns

Green, green, swallow, swallow
Mmm, feel free
Read, read getting rid of insecurities
Look, look feast your eyes 100% me
I'm forever young
Got confetti on my tongue
And then I see

Kids with guns
Kids with guns
Kids with guns
Kids with guns

Breathe, breathe warrior
Persistence is the key
Quote, quote of the day
Thumbs up for me
Detox and mindfulness
My soul is so happy
Dancing in the sun
I ain't never on the run
And then I see

Kids with guns
Kids with guns
Kids with guns
Kids with guns

Sing like tomorrow won't come
Sing like tomorrow won't come
Sing like tomorrow won't come
Sing like tomorrow won't come

Pray, pray on your knees
So he can set you free, yeah

Kids with guns
Kids with guns
Kids with guns
Sing like tomorrow won't come
Won't come
