

# Nemesis, Munchies For Your Bass

Tweedle- Dee

Tweedle- Dum

Last time we got busy your body got numb  
And now you're beatin' like a big bass drum  
You're in position I'm about to come...right.. thru...the...door  
and don't stop and by now your boilin' like a crock pot  
You're in a frenzy  
You're all over me  
I got the honey your name's queen bee  
I'm runnin' hot like a ninja thru a grill on fire  
the longer we go the longer gets my desire  
And I wanna see you lose your mind  
Cause you know we'll be doin' the grind  
But I'm not into torture  
that's not my speed some big bass is...all...I...need  
And I'm gonna let you have a taste if you keep the pace  
Cause I've got the munchies for your bass

I want you,I want you,I want you yeah,yeah,yeah

Let's ride....the wave of the bass  
I want it all but not in my face  
Take your time and get relaxed  
And feel the bass roll down your back  
it's not hard just let it flow,smooth and easy  
It's better when you let go Take a sample set the pace feel the boom

I got the munchies for your bass  
I want you,I want you,I want you yeah,yeah,yeah

Let's get down I mean real deep  
Go so low I can feel it when your bass beats  
Gimme a kiss now below my navel  
I'm the dinner the bed is the dining table  
Feel the sensation a real bass blast  
strong vibration for slower but it builds fast  
You're goin' down  
I'm comin' up  
It's gettin' heated you're about to erupt  
A lil nibble gimme your shoulder  
you're getting cold feet I'm getting bolder  
what should i do now i'm feeling alright  
the trouble's loose the bass is getting real tight  
it's amazing the way we do it  
i know it's shallow i can see right thru it  
now beneath us it's the milkyway  
Got me cravin'...munchies for your bass

I want you,I want you, I want you yeah,yeah,yeah  
I want you  
I want you baby yeah  
I want you
