

Nemo, The Code (Szwajcaria - piosenka na Euro)

Welcome to the show, let everybody know
I'm done playing the game, I'll break out of the chains
You better buckle up, I'll pour another cup
This is my bohème, so drink it up, my friend

Uhh, uhh
This story is my truth

I, I went to hell and back to find myself on track
I broke the code, woah ohh
Like ammonites, I just gave it some time
Now I found paradise
I broke the code, woah ohh

Let me tell you a tale about life
'Bout the good and the bad, better hold on tight
Who decides what's wrong, what's right
Everything is balance, everything's light
I got so much on my mind and I been awake all night
I'm so pumped, I'm so psyched
It's bigger than me, I'm getting so hyped, like

Uhh
Let me taste the lows and highs
Uhh
Let me feel that burning fright
This story is my truth

I, I went to hell and back to find myself on track
I broke the code, woah ohh
Like ammonites, I just gave it some time
Now I found paradise
I broke the code, woah ohh

Somewhere between the 0's and 1's
That's where I found my kingdom come
My heart beats like a...
Somewhere between the 0's and 1's
That's where I found my kingdom come
My heart beats like a drum

I, I went to hell and back to find myself on track
I broke the code, woah ohh
Like ammonites, I just gave it some time
Now I found paradise
I broke the code, woah ohh, woah ohh
