Nena, 1 59

I'm in a hurry
I'm on the run
Hidden in my trenchcoat
Down on the road
Voices on the radio, voices in the street
Saw you in the crowd, feet all on the scene
1:59
And I got 1:59
Yes, I got 1:59
I got 1:59
Tryt o leave the main street
Try to leave it all
Something seems to be wrong
Something seems to be wrong
