

Nena, Just A Dream

I'm so alone
Waitin' by the phone
Your hand is in my hair
I'd know it anywhere
I feel so sad till I think of you
But I'm in the sand and I Understand

There's nothin' else I wanna do
I spend all day dreamin' of you
I haven't seen you for a while
I need your kiss I miss your smile

All the things I liked you for
Make me want you more and more
I don't know what to say
I've got to get to you today

I can feel the heat
Standin' next to you
Think about you all the time
Never get you off my mind

There's nothin' else I wanna do
I spend all day dreamin' of you
I haven't seen you for a while
I need your kiss I miss your smile

All the things I liked you for
Make me want you more and more
I don't know what to say
I've got to get to you today
