Nena, Just A Dream

I'm so alone Waitin' by the phone Your hand is in my hair I'd know it anywhere I feel so sad till I think of you But I'm in the sand and I Understand

There's nothin' else I wanna do I spend all day dreamin' of you I haven't seen you for a while I need your kiss I miss your smile

All the things I liked you for Make me want you more and more I don't know what to say I've got to get to you today

I can feel the heat Standin' next to you Think about you all the time Never get you off my mind

There's nothin' else I wanna do I spend all day dreamin' of you I haven't seen you for a while I need your kiss I miss your smile

All the things I liked you for Make me want you more and more I don't know what to say I've got to get to you today
