

# Neneh Cherry, Love Can Build A Bridge

I'd gladly walk across the desert with no shoes upon my feet  
To share with you the last bite of bread I had to eat  
I would swim out to save you in your sea of broken dreams  
When all your hopes are sinking  
Let me show you what love means

Love can build a bridge  
Between your heart and mine  
Love can build a bridge  
Don't you think it's time  
Don't you think it's time

I would whisper love so loudly every heart could understand  
That love and only love can join the tribes of man  
I would give my heart's desire so that you might see  
The first step is to realise that it all begins with you and me

Love can build a bridge  
Between your heart and mine  
Love can build a bridge  
Don't you think it's time  
Don't you think it's time

When we stand together it's our finest hour  
We can do anything  
Anything  
Anything  
Anything  
If we're believing in the power of love

Love can build a bridge  
Between your heart and mine  
Love can build a bridge  
Don't you think it's time  
Don't you think it's time

Love can build a bridge  
Between your heart and mine  
Between your heart and mine  
Love can build a bridge  
Don't you think it's time  
Don't you think it's time  
Don't you think it's time
