Neon Genesis Evangelion, Komm, S

I know, I know I've let you down
I've been a fool to myself
I thought I could
Live for no one else
But not through all the hurt and pain
Its time for me to respect
The ones you love
Mean more than anything
So with sadness in my heart
I feel the best thing I could do
Is end it all
And leave forever
Whats done is done, it feels so bad
What once was happy now is sad
I'll never love again
My world is ending

I wish that I could turn back time
Cos now the guilt is all mine
Cant live without the trust from the ones you love
I know we can't forget the past
You cant forget love and pride
Because of that its killing me inside

It all returns to nothing, it all comes
Tumbling down, tumbling down
Tumbling down
It all returns to nothing, I just keep
Letting me down, letting me down
Letting me down
In my heart of hearts
I know that I called never love again
I've lost everything, everything
Everything that matters to me
Matter in this world

I wish that I could turn back time
Cos now all the guilt is mine
Cant live without
The trust from those you love
I know we can't forget the past
You can't forget love and pride
Because of that, its killing me inside

It all returns to nothing, it all comes
Tumbling down, tumbling down
Tumbling down
It all returns to nothing, I just keep
Letting me down, letting me down
Letting me down
It all returns to nothing, it all comes
Tumbling down, tumbling down
Tumbling down
It all returns to nothing, I just keep
Letting me down, letting me down
Letting me down
