

# Neon Jungle, Trouble

I don't look for trouble,  
But trouble looks for me.  
And it's been waiting around corners,  
Since I was seventeen.  
They say "Here comes a hurricane,  
Trouble is her middle name!"  
But I don't look for trouble,  
Yeah trouble looks for me.  
Hey hey!

I just want to live a quiet life,  
I'll make an excellent wife,  
Man I swear I really try.  
But some boys they just can't eat it whole,  
Trouble is my name you know.  
(Trouble is my name you know.)

I don't look for trouble,  
But trouble looks for me,  
And it's been waiting around corners,  
Since I was seventeen.  
They say "Here comes a hurricane,  
Trouble is her middle name!"  
But I don't look for trouble,  
Yeah trouble looks for me.  
Hey hey!

Hey!  
Hey hey!  
Hey!  
Hey hey!

I don't look for trouble,  
But trouble looks for me,  
And it's been waiting around corners,  
Since I was seventeen.  
They say that you,  
Got so many sides.  
I'm a Gemini,  
But I don't look for trouble,  
Trouble looks for me.

Lights up, let's have a toke.  
Pour more whiskey in my Coke.  
Never been one of the herd,  
Flipping everyone the bird.  
People say that I am heartless,  
I've just learned to use my heart less.  
I go hard 'cause I'm the hardest,  
And we ain't even started yet!

Hey!  
Hey hey!  
Hey!  
Hey hey!  
Hey!  
Hey hey!  
Hey!  
Hey hey!  
Trouble!

I don't look for trouble,  
But trouble looks for me,  
And it's been waiting around corners,

Since I was seventeen.  
They say "Here comes a hurricane,  
Trouble is her middle name!"  
But I don't look for trouble,  
Yeah trouble looks for me.  
Hey hey!
