

Nephew, Stay Inside

Give me some swimming time alone
otherwise I'll drown
som Big Ben i en modvind

Give me some time to take this lane
finish for the judge
finish the Today Show

Give me some swimming time alone
hooligans in Rome
roligans i rhus

Hand me some time to clear the shelf
stacking all the books
sampling Owen Meany

Give me some swimming time alone
7:45
I'll get out of the water

Milk trains will stop the love shop here
spar mig for dit pis!
sparkles on the Jailhouse

Give me some swimming time alone
put my piano time on hold

I know it seems like I have planned this trip
my wildest dreams made me forget this step

Swimming time

I know that it seems

Fyr mig afsted
en efter en
en hobbysmed
