

# NerdOut, God Of Thunder

This is the team we gathered up,  
We need to stop that ragnarok,  
We're gonna raise our banner up,  
We need to stop that ragnarok

I fight for the land, like a hero should,  
A battle with us won't do you any good,  
I'm seeing the flames consume my world,  
Im not about to watch it burn,

With one swing ill take you down,  
Asgard is our sacred ground,  
Fighting for our very lives, sister tellin' hella lies  
Whole team is down to ride, it's going down tonight  
Loki, Valkyrie, standing back to back with me  
Hulk smash look out below thats the way we like to roll

Get ready my brother,  
Cause were bringing the thunder  
I fight for the land, like a hero should
