NerdOut, God Of Thunder

This is the team we gathered up, We need to stop that ragnarok, We're gonna raise our banner up, We need to stop that ragnarok

I fight for the land, like a hero should, A battle with us won't do you any good, I'm seeing the flames consume my world, Im not about to watch it burn,

With one swing ill take you down, Asgard is our sacred ground, Fighting for our very lives, sister tellin' hella lies Whole team is down to ride, it's going down tonight Loki, Valkyrie, standing back to back with me Hulk smash look out below thats the way we like to roll

Get ready my brother, Cause were bringing the thunder I fight for the land, like a hero should A battle with us wont do you any good Im seeing the flames consume my world Im not about to watch it burn

This is the team we gathered up We need to stop that ragnarok (God of thunder) We're gonna raise our banner up We need to stop that ragnarok God of thunder!

We're a long long way from home Someone else has claimed the throne But they know im Odin's son Won't stop til victory is won

Get ready my brother Cause were bringing the thunder Get ready my brother Cause were bringing the thunder! I fight for the land like a hero should A battle with us wont do you any good Im seeing the flames consume my world Im not about to watch it burn I fight for the land like a hero should A battle with us wont do you any good Im seeing the flames consume my world Im seeing the flames consume my world Im not about to watch it burn
