

# Nerf Herder, Can't Wait

I've got a third eye in my mind  
Its watching you  
Yeah, its watching you

I've got a place in my heart thats vacant  
Vacant for you  
'cause I wanna be with you

Gonna find you  
Can't wait  
Gonna find you  
Can't wait  
Gonna find you  
Can't wait

Can't wait (x7)

I've got a scar on my face  
Oh yeah  
I've bet you got one too  
I've bet you got one too

And I've got a place where I go to be alone  
Will you go there too?  
'cause I wanna be with you

Gonna find you  
Can't wait  
Gonna find you  
Can't wait  
Gonna find you  
Can't wait

Can't wait (x7)

Gonna find you  
Can't wait  
Gonna find you  
Can't wait  
Gonna find you  
Can't wait

Can't wait (x7)
