

# Nerf Herder, Courtney

You bared your soul  
You showed us your Hole

Courtney Love  
Don't throw it all away  
Courtney Love  
Don't you go  
Changin' Courtney Love  
Courtney, Courtney Love

I saw you in a movie about pornography  
You were lookin' pale, and kind of saggy  
I have to say it made me woozy  
When you f\*\*\*\*d Woody Harrellson in the jac'causei

You wore grungy clothes  
And doctors fixed your nose

Courtney Love  
Don't throw it all away  
Courtney Love  
Don't you go

Changin' Courtney Love  
Courtney, Courtney Love

Now I'm overweight and ugly  
Just like you used to be  
Why can't I be like you  
Then we could drive away to Malibu  
Hope I'm not out of place but  
Courtney Love  
Sit on my face

Courtney Love  
Don't throw it all away  
Courtney Love  
What about me? I'm not gay  
Courtney Love  
Courtney, Courtney Love

Gold Dust Woman  
Never break the chain
