

Nerf Herder, Courtney Love

you came from some town out in the sticks
to become a modern stevie nicks
you had the guts, a lot of ambition
the riot girls thought you were bitchin'

you bared your soul
you showed us your hole

courtney love
don't throw it all away
courtney love
don't you go
changin' courtney love
courtney courtney love

i saw you in a movie about pornography
you were lookin' pale, and kind of saggy
i have to say it made me woozy
when you fucked woody harellson in the jacuzzi

you wore grungy clothes
and doctors fixed your nose

courtney love
don't throw it all away
courtney love
don't you go
changin' courtney love
courtney courtney love

now i'm overweight and ugly
just like you used to be
why can't i be like you
then we could drive away to malibu
hope i'm not out of place but
courtney love
SIT ON MY FACE

courtney love
don't throw it all away
courtney love
what about me, i'm not gay
courtney love
courtney courtney love

Gold Dust Woman
