

# Nerf Herder, Don't Hate Me

Don't hate me, because I'm beautiful  
Don't hate me, because I'm the best  
Don't hate me, because I'm the champion  
Just love me, like all the rest do

Don't be jealous when you see me in my fancy clothes  
Sexy leather pants straight from Belan  
Don't be angry when I'm dancing with your girlfriend  
Just be happy she touched me for one night  
And when I come to your town  
Rolling in my golden limosine  
It's only me  
Meeeeeeeee

Ooooooh ooh oh  
And when I come to your town  
Rolling in my golden limosine  
It's only me  
Meeeeeeeee  
Da, da, da (repeatedly)  
Don't hate me, because I'm beautiful  
Don't hate me, because I'm the best  
Don't hate me, because I'm the champion  
Just love me like all the rest do  
Love me
