

Nerf Herder, Don't Hate Me

Don't hate me, because I'm beautiful
Don't hate me, because I'm the best
Don't hate me, because I'm the champion
Just love me, like all the rest do

Don't be jealous when you see me in my fancy clothes
Sexy leather pants straight from Belan
Don't be angry when I'm dancing with your girlfriend
Just be happy she touched me for one night
And when I come to your town
Rolling in my golden limosine
It's only me
Meeeeeeeee

Ooooooh ooh oh
And when I come to your town
Rolling in my golden limosine
It's only me
Meeeeeeeee
Da, da, da (repeatedly)
Don't hate me, because I'm beautiful
Don't hate me, because I'm the best
Don't hate me, because I'm the champion
Just love me like all the rest do
Love me
