

# Nerf Herder, Don't Hate Me (Because I'm Beautiful)

Don't hate me because I'm beautiful

Don't hate me because I'm the best

Don't hate me because I'm the champion

Just love me like all the rest do

Don't be jealous when you see me in my fancy clothes

Sexy leather pants straight from Milan

Don't be angry when I'm dancing with your girlfriend

Just be happy she touched for one night

And when I come to your town

Rolling in my golden limousine

Its only me

And when I come to your town

Rolling in my golden limousine

Its only me

Da Da-Da Da Da Da Da

Da Da Da

Da Daaaaa Ohhhh

Don't hate me because I'm beautiful

Don't hate me because I'm the best

Don't hate me because I'm the champion

Just love me like all the rest do

Love me
