

# Nerf Herder, Easy Mark

Yeah she... she's just a girl  
Yeah she's just a small town girl  
Livin' in a lonely world

And she rides that midnight train goin' anywhere  
She's an easy mark

Yeah he... he's just a boy  
Yeah he's a big city boy  
Born and raised in South Detroit

And he catches that midnight train goin' anywhere  
He's an easy mark

She lays down in the grass on Strawberry Hill  
He is there smelling like nicotine and peanut butter  
You gotta love her

Yeah she... she gets up off the floor  
She says you can beat me all you want to  
But I don't love you anymore  
No I don't love you anymore

And she rides that midnight train goin' anywhere  
She's an easy mark

I hate this world, this stupid world, this screwed up world  
I hate this world, this fucking world
