

# Nerf Herder, High School Reunion

Who got fat, who got rich  
Who is a loser, who is a bitch  
Who is a washout, who turned gay  
Who is that wearing the cheap-ass toupee  
Who's in the fancy designer pants  
Who got the big fake boobie implants  
Who looks good in the rental tuxedo  
Who lives in their van on microwave burritos

We're havin' fun  
High school reunion  
Each 'n everyone  
High school reunion  
Why don't you come to the  
High school reunion

Who got the kids, who got the divorce  
Who's got a date with a face like a horse  
Who's in the papers, who's in the show  
Who's in the jail for dealin' the blow  
Who graduated from the Ivy League school  
Tokes on his bong and then cleans your pool  
You sure look pretty, it's been so long  
Come on back to my basement where I live with my mom

We're havin' fun  
High school reunion  
Each 'n everyone  
High school reunion  
Why don't you come to the  
High school reunion
