

# Nerf Herder, Santa's Got A Mullet

Santa's got a mullet and he's comin Christmas eve.  
Santa's got a mullet he's bringin gifts for you and me.  
Frosty has a stovepipe hat and Rudolph's nose is red.  
Santa's got a mullet sitting on his head.

Santa's got a mullet, keep a looking out for him  
Driving in his Iroc with the killer rims.  
Santa has a mullet as he's streaking through the night.  
Jamming to Foghat  
And drinking Coor's Light

Singing Fa la la la la la la la la la la la la la  
Singing Fa la la la la la la la la la la la la la la la

Angels up in Heaven are plucking on their harps  
Santa's wearing Oakley's and he's looking mighty sharp.  
Santa's got a mullet he's got presents for all of ya.  
I thought he was from the North Pole,  
But he must be from Canada.

Oh yeah Santa's coming  
Don't you worry he won't be long  
Santa's got a mullet  
Yeah Santa's got  
Santa's got  
Sata's got  
A shlong.  
A shlong.
