

Nerf Herder, Thinking Of You

Tell Deon Warwick, and all her Psychic friends.
I won't be calling. They can't help me.
'Cause I don't wanna know the truth.
I only want my dreams
Here in (somewhere), Tennessee
See, all the old stars have fallen from the sky.
Flicker down in the darkness of the night.
Anthony Robbins smiles just like a loon.
Well that may settle them
But it doesn't reach my motel room.

Cause I'm thinking of you.
And all the fun we had.
Thinking of you.
And hope that things don't go bad.

Where do all these bored and beautiful girls come from?
At the hotel, they all want me after the show.
They say "I give the first three minutes free"
But I would happily pay
If they can get me out of Ohio

Cause I'm thinking of you.
And all the fun we had.
Yeah I'm thinking of you.
And hope that things don't go bad.
ROCK!
