

NERVO & Marco Lys, Don't Break My Heart

Cause I've been here, here before
Yes I've been here, and I can't ignore
Now I wouldn't want you sitting on my time
I wouldn't want that, now I need you to realize
Don't break my
Don't break my heart

People get caught up, get caught up in the race
Sometimes we can lose sight of who we are
But you got to trust me, you got to find a way
Girl you know I loved you from the start
Don't break my heart

Don't break my heart

Don't break my heart
Don't break my heart
Don't break my heart

Don't you go and break it

People get caught up, get caught up in the race
Sometimes we can lose sight of who we are
But you got to trust me, you got to find a way
Girl you know I loved you from the start
Don't break my heart

Don't break my heart
Don't break my heart
Don't break my heart
