

NERVO, Pickle (Tinie Tempah & Paris Hilton)

You're the pickle in my sandwich
Wanna make me eat you up
Life would be so boring
Without you, oh, baby
You're the pickle in my sandwich
Make my tongue go 'uhhh la la'
You're the pickle in my sandwich
Won't you pickle me up?

pickle me
pickle me
pickle
pickle me up
pickle me
pickle me
pickle
pickle me up

You're the pickle in my sandwich
Wanna make me eat you up
Life would be so boring
Without you, oh, baby
You're the pickle in my sandwich
Make my tongue go 'uhhh la la'
You're the pickle in my sandwich
Won't you pickle me up?
