Nervosa, Jailbreak

I get through the wire
To the other side
Sailing rivers of blood
To escape their control

It's my Jailbreak!
Jailbreak!
Jailbreak!
Jailbreak!

It's my Jailbreak!
Jailbreak!
Jailbreak!
Jailbreak!

Black sheep
Mind police
Outlaw
Heart of danger

It's my Jailbreak!
Jailbreak!
Jailbreak!
Jailbreak!

It's my Jailbreak!
Jailbreak!
Jailbreak!
Jailbreak!

The best way to break the rules
Is to pretend that you follow them
Sick and tired of apologies
Empty heads full of fools
Full of fools!

March to the beat
Of your heart
This is your destiny's call
No need to compromise
Be your own god

It's my Jailbreak!
Jailbreak!
Jailbreak!
Jailbreak!

It's my Jailbreak!
Jailbreak!
Jailbreak!
Jailbreak!

It's my Jailbreak!
Jailbreak!
Jailbreak!
Jailbreak!

It's my Jailbreak!
Jailbreak!
Jailbreak!
Jailbreak!
