Nervous Norvus

ZZZZZZOOOOOOOOOOOMMMMMMMMMMMM

Tooling down the hightway doing 79

I'm a twin pipe papa and I'm feelin fine

Hey man dig that was that a red stop sign-

(Screeeech-BANG!!tinkle)

Transfusion transfusion

I'm just a solid mess of contusions

Never never never gonna speed again

Slip the blood to me Bud

I jump in my rod about a quarter to nine

I gotta make a date with that chick of mine

I cross the center line man you gotta make time-

(Screeeech-BANG!!tinkle)

Transfusion transfusion

Oh man I got the cotton pickin convolutions

Never never never gonna speed again

Shoot the juice to me Bruce

My foot's on the throttle and it's made of lead

But I'm a fast ridding daddy with a real cool head

I'ma gonna pass a truck on the hill ahead-

(Screeeech-BANG!!tinkle)

Transfusion transfusion

My red corpsuckles (sic) are in mass confusion

Never never never gonna speed again

Pass the crimson to me Jimson

I took a little drink and I'm feelin right

I can fly right over everything everything in sight

There's a slow poking cat I'm gonna pass him on the right-

(Screeeech-BANG!!tinkle)

Transfusion transfusion

I'm a real gone paleface and that's no illusion

I'ma never never never gonna speed again

Pass the claret to me Barrett

A rollin down the mountain on a rainy day

Oh when you see me coming better start to pray

I'ma cuttin up the road and I'm the boss all the way-

(Screeeech-BANG!!tinkle)

Transfusion transfusion

Oh doc pardon me for this crazy intrusion

I'm never never never gonna speed again

Pump the fluid in me Louie

I'm burning up the highway early this morn

I'm passing everybody oh nothing but corn

Man outa my way I don't drive with my horn-

(Screeeech-BANG!!tinkle)

Transfusion transfusion

Oh nurse I'm gonna make a new resolution

I'm never never never gonna speed again

Put a gallon in me Alan

Oh barnyard drivers are found in two classes

Line crowding hogs and speeding jackasses

So rememmbber to slow down today

Hey daddy-o

Make that type O huh

Atta-boy

(Screeech-BANG!!tinkle)
