

Nessa Barrett, if u love me

Maybe there's a reason in your head
Tied up somewhere, somewhere that we went
When you were mine
When you were mine
Maybe it's the feeling that you get
Guilty over everything you did
Crossing the line
Oh what a crime

Now I know the ways
All the other ways that they can hurt me
I won't be the same
It won't be the same, won't be as easy

'Cause what you don't know
When my heart goes cold
I hold my demons close
And I don't let go
No I don't let go, no I don't let go

Maybe there's a reason in your head
Tied up somewhere, somewhere that we went
Maybe it's the feeling that you get
Guilty over everything you did

Now I know the ways
All the other ways that they can hurt me
I won't be the same
It won't be the same, won't be as easy

'Cause what you don't know
When my heart goes cold
I hold my demons close
And I don't let go
No I don't let go, no I don't let go

If you love me I don't know
If you love me I don't know
Don't you think that I should know?
I should know
I never meant to be an enemy but look at us now

'Cause what you don't know
When my heart goes cold
I hold my demons close
And I don't let go
No I don't let go, no I don't let go

If you love me, I don't know
If you love me, I don't know
Oh, oh my dear
Don't love me out of fear

If you love me let me go
If you love me let me go
Oh, my darling
Please save yourself from hurting
If you love me let me go
If you love me let me go
