

# Netsky, Barricades (feat. Rita Ora)

Excuse me, can we talk?  
No swearing, no insults  
Look at all the mess we made  
To get to where the both of us say  
These big words, I'm sorry

'Cause right now we got barricades, wall to wall  
We used to live and love and now the barricades cover it all  
We used to be in love and I will not allow  
For us to go down in fire  
We're gonna tear down all these barricades  
Before we fall  
And lose it all

Excuse me for shaking  
I'm angry and breaking  
And I can see it in your face  
The fire we control is blazing  
These big words we're losing

'Cause right now we got barricades, wall to wall  
We used to live and love and now the barricades cover it all  
We used to be in love and I will not allow  
For us to go down in fire  
We're gonna tear down all these barricades  
Before we fall  
And right now we got barricades (Barricades), wall to wall (Wall to wall)  
We used to live and love and now the barricades (Barricades) cover it all (Cover it all)  
We used to be in love and I will not allow  
For us to go down in fire  
We're gonna tear down all these barricades (Barricades)  
Wall to wall (Before we fall)  
Right now we got barricades, wall to wall  
We used to live and love and now the barricades cover i
