

Netty (Aneta Gąsiewicz), Feeling Good

Hey Baby
It's gonna be the night
Hope you know
How you can blow my mind
Things you do make me feel so fine
So good
So good to have you now

Coz when you put your arms around me
There's nothing that makes me so good
I can talk, talk, talk about it
I feel you, sex boy
I'm feel you!
/2x

I just want to know
If you will be there forever for me
You make me feel so good
makes me feel so good
Baby don't you see
I'm going crazy when you're next to me?
You make me feel so good
makes me feel so good

Hay baby
So tell me what to do
Let me know
I know you want it too!

Coz when you put your arms around me
There's nothing that makes me so good
I can talk, talk, talk about it
I feel you, sex boy
I'm feel you!
/2x

I just want to know
If you will be there forever for me
You make me feel so good
makes me feel so good
Baby don't you see
I'm going crazy when you're next to me?
You make me feel so good
makes me feel so good
