

Neulander, Flying

She was a lonely girl,
doesn't have a lot of something to remind you.
Lives in a lonely world,
she's always been there
riding right behind you.

She travelled around the world,
going about it all the wrong way.
She travelled on until something comes up,
but you know it never will.

Ohhhhhhohhhh....
Flying around the world!
Ohhhhhhohhhh....
Ooo what a lonely girl!

She was a lonely girl,
grew up in her own society.
You took a little piece of her,
like you took a little piece of you and me.

She travelled around the world,
in order to get away from her mother,
and well it was strange because,
one thing never really led to another,
and...

Ohhhhhhohhhh....
Flying around the world!
Ohhhhhhohhhh....
Ooo what a lonely girl!
Ohhhhhhohhhh....

If you see her you should remind her of all the things she said,
if you see her you should see remind she's better off cause she's
not dead.
...not dead.

Ohhhhhhohhhh....
Flying around the world...
Ohhhhhhohhhh....
Ooo what a lonely girl!

I've lived in golden cities,
and I've lived in funeral towns.
Went to the roof of the world,
and I didn't ever want to come
...down.

Ohhhhhhohhhh....
Ohhhhhhohhhh....

My mother is dead and my father is dead and all my brothers and sisters are dead
and my heart
...goes boom-boom-boom.

My mother is dead and my father is dead and all my brothers and sisters are dead
and my heart
...goes boom-boom-boom.
...my heart goes boom-boom-boom.
...my heart goes boom-boom-boom.

My mother is dead and my father is dead and all my brothers and sisters are dead
and my heart

...goes boom-boom-boom.
...my heart goes boom-boom-boom.
