

# Neuraxis, Lid To Your Soul

Malevolent creature of hatred  
One that feeds on emotions  
Psychologically unsound and very unstable  
Bent on destruction of integrity  
Tell him what he wants to hear  
He'll twist it to his advantage  
Victims are left susceptible to...  
Further remorseless attacks, from these vulgar  
preying parasites  
Delirium caused paranoia  
Scars never healing

Malignant moral cancer,  
Societies standards- Die

Hopes and dreams  
Smashed and destroyed  
Fault and fears  
Used as weapons

Malignant moral cancer,  
Societies standards- Die

Hopes and dreams  
Burnt and charred  
Fault and fears  
Withering self-esteem

Fade- now a shell of your former self  
Derogatory comments leave you empty

Insecure- Self-conscious of appearance  
Cunning- Attacking insecurities  
Subconscious- Forever in denial  
Lost- All faith and hope
