

Neuraxis, Lid To Your Soul

Malevolent creature of hatred
One that feeds on emotions
Psychologically unsound and very unstable
Bent on destruction of integrity
Tell him what he wants to hear
He'll twist it to his advantage
Victims are left susceptible to...
Further remorseless attacks, from these vulgar
preying parasites
Delirium caused paranoia
Scars never healing

Malignant moral cancer,
Societies standards- Die

Hopes and dreams
Smashed and destroyed
Fault and fears
Used as weapons

Malignant moral cancer,
Societies standards- Die

Hopes and dreams
Burnt and charred
Fault and fears
Withering self-esteem

Fade- now a shell of your former self
Derogatory comments leave you empty

Insecure- Self-conscious of appearance
Cunning- Attacking insecurities
Subconscious- Forever in denial
Lost- All faith and hope
