

Neuraxis, Neurasthenic

Did you ever know why I hate you ?
And this since forever.
Quite expected that you'd not know why.
Since you are such an ignorant.

You like all the others,
the smarter you become and the sillier you sink.
Like animal reacts.

So sadening to watch you go.
Devoid of culture.

Get outta here!

Prideless you live.
Believing yourself an accomplished being.

Frustration and sorrow,
your deeds beckon,
have become a towering inferno.
That's why I feel so neurasthenic.
