

Neurosonic, So Many People

Everything under the sun
Going to hell in an episode of SNL
Busted on the T.V.

You ugly girl, you can not sing, can't even lip sync.
Apparently money can even buy you dignity.
Everyone forget in a couple of days.
It doesn't matter what they say in the press, I guess.
Am I the only one feeling the itch cause they're
giving away the billboard award to some phony little...

So what would you know about how your song goes?
Just let that table roll.

So many faces of so many people
are covered in stupid and all they wanna do is get in.
I know that your parents are brother and sister
It's idiot season, so let the hunting begin.
Let the hunting begin. (x4)

Since practice wasn't on the list, clearly talent doesn't exist.
maybe joking can buy you a set of bigger tits.
Apologize to the world and admit that you were wrong.
Who's dick you'd have to suck to get the number one song?

So what would you know about how your song goes?
Just let that table roll.

So many faces of so many people
are covered in stupid and all they wanna do is get in.
I know that your parents are brother and sister
It's idiot season, so let the hunting begin.
Let the hunting begin. (x4)

Well, who's this little girl who's got my elbow in her mouth
to keep the sound from coming out
said you're daddys little girl
nobody knows
what we all know

So many faces of so many people
Are covered in stupid and all they wanna do is get in.
I know that your parents are brother and sister.
It's idiot season; let the hunting begin.

I know that your parents are brother and sister.
It's idiot season; let the hunting begin.

So many faces of so many people
Are covered in stupid and all they wanna do is get in.
I know that your parents are brother and sister.
It's idiot season; let the hunting begin.

I know that your parents are brother and sister.
It's idiot season; let the hunting begin.
